A Million Miles Away

FM Attack

I don't want to know the reason why you don't love me
I don't want to know the reason why you don't care
I don't want to know the reason why you're leavin' me
I'm not the only one that lost my love way down there, way down thereI don't want to hear the reason why you don't need me
I don't want to hear the reason why you don't stay
I don't want to hear the reason why you're seeing him
All I know is that I want you back but you reA million miles away and it's killin' me inside
There's a stranger in a carriage and he's takin' her out tonight
The devil's ridin' on a full moon
And he sends his love when I'm a million miles awayI don't want to be the reason why you don't love me
And I don't want to be the reason why you don't care
I don't want to be the reason why you're leavin' me
I'm not the only one that lost my loveA million miles away and it's killin' me inside
There's a stranger in a carriage and he's takin' her out tonight
The devil's ridin' on a full moon
And he sends his love when I'm a million miles away
He sends his love and I'm a hundred million miles away
