

# A Million Miles Away

## FM Attack

I don't want to know the reason why you don't love me  
I don't want to know the reason why you don't care  
I don't want to know the reason why you're leavin' me  
I'm not the only one that lost my love way down there, way down there I don't want to hear the reason why you  
don't need me  
I don't want to hear the reason why you don't stay  
I don't want to hear the reason why you're seeing him  
All I know is that I want you back but you're A million miles away and it's killin' me inside  
There's a stranger in a carriage and he's takin' her out tonight  
The devil's ridin' on a full moon  
And he sends his love when I'm a million miles away I don't want to be the reason why you don't love me  
And I don't want to be the reason why you don't care  
I don't want to be the reason why you're leavin' me  
I'm not the only one that lost my love A million miles away and it's killin' me inside  
There's a stranger in a carriage and he's takin' her out tonight  
The devil's ridin' on a full moon  
And he sends his love when I'm a million miles away  
He sends his love and I'm a hundred million miles away
