# Off The Wagon

## The Get Up Kids

They're my reasons for getting over this
And it's not much better than waking up
With your head in your hands
And your arms are tired from supporting
It's better in the long run
It's better in the long run
But this is the worst day
Of my life
I'm giving in
This can't be much better than dying
I'm going back to my selfish ways
I'm giving up what I could forget
I'm going back to my selfish ways
I've tried
It came out better the first time
If this is all you see then have a drink on me
And look who's laughing now
