

Off The Wagon

The Get Up Kids

They're my reasons for getting over this
And it's not much better than waking up
 With your head in your hands
And your arms are tired from supporting
 It's better in the long run
 It's better in the long run
 But this is the worst day
 Of my life
 I'm giving in
This can't be much better than dying
 I'm going back to my selfish ways
 I'm giving up what I could forget
 I'm going back to my selfish ways
 I've tried
 It came out better the first time
If this is all you see then have a drink on me
 And look who's laughing now
