

# Gimme A Chance

## Plain White T's

Why don't you open up your eyes?  
These are more than passing glances  
Why don't you say what's on your mind?  
'Cause I'm taking all the chancesIf I'm not everything you wanted, ohh  
If I'm not everything you needThen you can walk right out the door  
(You can walk right out the door)  
And you can walk right out on me  
(You can walk right out on me)But you're never gonna see  
Just how good it's gonna be  
Until you gimme a chance  
Gimme a chance, ohhWhat do you see in all these guys?  
Don't you know they're just pretending?  
Somehow you always seem surprised  
That it's not a happy ending, don't you want a happy ending?If I'm not everything you wanted, ohh  
If I'm not everything you needThen you can walk right out the door  
(You can walk right out the door)  
And you can walk right out on me  
(You can walk right out on me)But you're never gonna see  
Just how good it's gonna be  
Until you gimme a chance  
Gimme a chance, ohhYeah, you can walk right out the door  
(You can walk right out the door)  
And you just say goodbye to me  
(You just say goodbye to me)But I know you're going to stay  
And be happy everyday  
If you just gimme a chance  
Gimme a chance, ohhAll I want to do is spend my life with you  
And all I want from you is a chance  
So I can prove my love to you  
Just gimme a chance, gimme a chanceIf I'm not everything you wanted, ohh  
If I'm not everything you needThen you can walk right out the door  
(You can walk right out the door)  
And you can walk right out on me  
(You can walk right out on me)But you're never gonna see  
Just how good it's gonna be  
Until you gimme a chance  
Gimme a chance, ohhYeah, you can walk right out the door  
(You can walk right out the door)  
And you just say goodbye to me

(You just say goodbye to me)But I know you're going to stay  
And be happy everyday  
If you just gimme a chance  
Gimme a chance, ohhWhy don't you open up your eyes?  
Just gimme a chance, gimme a chance, ohh  
Why don't you say what's on your mind?  
Just gimme a chance, gimme a chance, ohh
