Someday

Max Schneider

I'll follow my dreams.
You'd think they we're nightmares the way they scream.
I'll make them believe. (whoo)
Someday.
Someday.
I'm gonna be the next big thing.

I never doubt my dreams.
Always live 'em out.
'Imma tell the world.
They gotta hear me out.
Just give me one mic so I can scream it loud.
And I just need someone that I can make proud.
'Cause I can't wait for that Someday.
And that Someday, it is coming.
I wanna share my life with someone who loves me just for me.
I wanna wish up to the stars, I can.
I wanna see the lights & the crowd in the stands.
See myself there like a dream in the past.
And everything I want, 'Imma get it at last, okay.
And I know that there's no limit.
We're perusing all our dreams and we gon' make it.
And tell the world that the best is yet to come, can you hear me? Oh.

I'll follow my dreams.
You'd think they we're nightmares the way they scream.
I'll make them believe.
Someday.
Someday.
I'm gonna be the next big thing.

Someday, I'll be the next big thing.
Someday, I'll be the next big thing.
Someday, I'll be the next big thing.
Someday.
Someday.
I'm gonna be the next big thing.

Now that I'm older, I think about it.
I was really having fun, too cool about it.

I guess mom's was predicting the future.
She knew that one day I was gon' move ya'.
But now I see everything a little different.
The world looks bigger and the sky is the limit.
I'm always looking out for myself and family.
They gonna be surprised, shouting out "oh we", I got it.
Everything my momma wanted from me, I got it.
Anybody come and take it from me, I got it.
'Cause it's all, I'm so close, I can dream about it.
I can feel I got it, music I'm all about it.
I'm here to make a change, 'Imma be about it.
I didn't come this far to stop now.
And I can't rest 'till I get my dreams found out.

I'll follow my dreams.
You'd think they we're nightmares the way they scream.
I'll make them believe.
Someday.
Someday.
I'm gonna be the next big thing.

Someday, I'll be the next big thing.
Someday, I'll be the next big thing.
Someday, I'll be the next big thing.
Someday.
Someday.
I'm gonna be the next big thing.

One day I'm gon' be king of the palace.
When I reigned, I'll be in the Metalloids.
Everything will be okay.
Every single day all day.
You can follow me if you wanna go.
'Imma take the lead, I got the star role.
Twinkle in the night like the star goes.
When you see us you know.

The next big thing.
Someday, I'll be the next big thing.
Someday, I'll be the next big thing.
Someday, I'll be the next big thing.
Someday.
Someday.
I'm gonna be the next big thing
