Pieces Of You

Pieces Of You

NOW
the time has come why don't you
SAY
we have some fun and we can
PLAY
operation and mutilate pieces of you
NOW
I know now that this may
HURT
but I promise you that I
WON'T
do anything that I wouldn't do to my own mother
and she cries and she begs for her life
it's sad but it's true
all that's left are pieces of you
DE-capitated
NEXT
I amputate all the
THINGS
that I hate but there won't be anything left of you
DE-capitated
NEXT

I'll amputate all the
THINGS
that I hate but there won't be anything left of you
[solo]and she cries and she begs for her life
it's sad but it's true
all that's left are pieces of you
and she laughs and she cries
and she begs for her life
it's sad but it's true
all that's left are pieces of you
DE-capitated
NEXT
I'll amputate all the
THINGS
that I hate but there won't be any thing left of you
Decapitated

NEXT
I'll amputate all the
THINGS
that I hate but there won't be anything left of you
