

Heaven Is a Halfpipe (If I Die)

OPM

If I die before I wake
At least in heaven I can skate
'Cause right now on earth I can't do jack
Without the man up on my back Now heaven would be a DJ
Spinning dub all night long
And Heaven would be just kickin' back
With Jesus packing my bong
And if you don't believe in Jesus and Mohammed or Buddha too
And while the world is warring
We'll just sit back and laugh at you
Singing If I die before I wake
At least in heaven I can skate
'Cause right now on earth I can't do jack
Without the man up on my back Now when most people think of heaven
They see those pearly gates
But I looked a little closer
And there's a sign that says "Do Not Skate"
So if you wanna come to my heaven
Well we're all gonna have a ball
And everyone you know is welcome
'Cause we got no gates or walls
Singing If I die before I wake
At least in heaven I can skate
'Cause right now on earth I can't do shit
Without the man fucking with it And then I got to the gate
Pulled out a list that I'd been calling fate
I'm sorry friend you can't come in
You gotta a list here that doesn't end
You're mad 'cause I smoke dope
You teaching any classes in how to cope
I'll find a place to rest my head
I'd rather be alone now that I'm dead
Like Christian Hosoi way back in 87'
We'll be busting Christ air's until we get to Heaven
You think I really care that I miss my Biology
Got my education in stale fishology
With all your rules you gots to chill
I'm gonna twist out like Mike McGill
I'm gonna twist out cause I got the skillz

I'm gonna twist out cause I got the skillz, got the skillz, got the skillz
Heaven is a halfpipe
If I die before I wake
At least in heaven I can skate
'Cause right now on earth I can't do jack
Without the man up on my back
If I die before I wake
At least in heaven I can skate
'Cause right now on earth I can't do shit
Without the man fucking with it
If I die before I wake
At least in heaven I can skate
'Cause right now on earth I can't do jack
Without the man up on my back
If I die before I wake
At least in heaven I can skate
'Cause right now on earth I can't do shit
Without the man fucking with it
If I die before I wake
At least in heaven I can skate
'Cause right now on earth I can't do shit
