Nude

Semma

I feel so exposed, and I haven't even taken off my clothes
You see right through my soul
If it's a blessing or a curse, baby I don't know (No)
I fuck with you
Every kiss is so sensational
You got my mind blown in ways I never thought were possible

And just for the record you should know that, no one's ever made me feel the way I feel right now
No one's ever made me feel the way I feel with you

I'm nude
I can be anything I wanna be
Laid bare (Love you)
Lying so nakedly with you, I'm nude (Nude)
I know, I'll show you every single part of me
Step down (Fuck you)
I can be anything with you, I'm nude (Nude)

My bare naked soul
You brought me out my shell and you put me on show
I wouldn't change it for the world
'Cuz everybody knows oysters, they wear pearls (Oh)
We run never jump
Baby something so phenomenal
Feel like I'm drooping in jewels, and every inch of me is dipped in gold

And just for the record you should know that, no one's ever made me feel the way I feel right now
No one's ever made me feel the way I feel with you

I'm nude
I can be anything I wanna be
Laid bare (Love you)
Lying so nakedly with you, I'm nude (Nude)
I know, I'll show you every single part of me
Step down (Fuck you)
I can be anything with you, I'm nude
Nude

Baby, you spin me 360
Come and wrap yourself around my whole body

Spin me, all eyes on me, baby 360
I feel all eyes on me (Me)

I'm nude
I can be anything I wanna be
Laid bare (Love you)
Lying so nakedly with you, I'm nude (Nude)
I know, I'll show you every single part of me
Step down (Fuck you)
I can be anything with you, I'm nude (Nude)
