

# Jail

## Mucky Pup

i knew i shouldn't have, opened my mouth  
last night on stage, now i'm sitting here  
in the pittsburg pa., county jail they took me off of the stage last night  
and laughed at me in handcuffs  
they took the money i made last night  
and laughed at me in handcuffs hey mom, hey mom, a hey mom  
hey mom i'm in jail  
hey mom, hey mom, a hey mom  
hey mom i'm really in jail
