Trainwreck In Your Eyes

Brian Goss

What a brilliant disguise
Till I seen that train wreck in your eyes
Tell my son I said hello
Hold him close and let him know that daddy loves himI've been searching for these days
And I'm not feeling quite the same anymore
About you now or that train wreck in your eyesHold me close and don't let go
The kids tell me things I shouldn't know
We jumped the train to Coney Island
We walked along the beach to Brighton
It started to rainI've been searching for these days
And I'm not feeling quite the same anymore
About you now or that train wreck in your eyesAs I held her hand
Watching seagulls dance in the sandI've been searching for these days
And I'm not feeling quite the same anymore
About you know or that train wreck in your eyes
