

# Baker Street - Edit

[Gerry Rafferty](#)

Winding your way down on Baker Street  
Light in your head and dead on your feet  
Well, another crazy day You'll drink the night away  
And forget about ev'rything This city desert makes you feel so cold  
It's got so many people, but it's got no soul  
And it's taken you so long  
To find out you were wrong  
When you thought it held everything  
You used to think that it was so easy  
You used to say that it was so easy  
But you're tryin', you're tryin' now  
Another year and then you'd be happy  
Just one more year and then you'd be happy  
But you're cryin', you're cryin' now Way down the street there's a light in his place  
He opens the door, he's got that look on his face  
And he asks you where you've been  
You tell him who you've seen  
And you talk about anything He's got this dream about buying some land  
He's gonna give up the booze and the one-night stands  
And then he'll settle down  
In some quiet little town  
And forget about ev'rything  
But you know he'll always keep movin'  
You know he's never gonna stop movin'  
'Cause he's rollin', he's the rolling stone  
When you wake up, it's a new morning  
The sun is shinin', it's a new mornin'  
You're goin', you're going home!
