

Unbelievable

Diamond Rio

She's so kissable, huggable
Lovable, unbelievable
She's a mouthful of anything
And everything a man could want
She ain't typical, she's unpredictable
She's available, it's a miracle
How my heart stumbled into someone
So kissable, huggable, lovable, unbelievable
Up 'til now my life has been
So lonely and boring
I never thought I would find someone
So elegant, intelligent
Heaven sent, all my money spent
I put a big down payment
On that itty bitty diamond ring
She's so beautiful, it's indisputable
It's undeniable, she's got-to-havable
She's music to my ears and makes my heart sing
So kissable, huggable, lovable, unbelievable
There's so many things I want to tell her
I got to love her
But every time I talk, I start to stutter
She's so elegant, intelligent
Heaven sent, all my money spent
I put a big down payment
On that itty bitty diamond ring
She's so beautiful, it's indisputable
It's undeniable, she's got-to-havable
She's music to my ears and makes my heart sing
Say kissable, huggable, lovable, unbelievable
Kissable, huggable, lovable, unbelievable
Kissable, huggable, lovable, unbelievable
