

# Tamer Animals (Atoms for Peace remix)

## Other Lives

Solitary motion in the wake of an avalanche  
Deer in the headlights, there goes a weaker one  
He's listenin' in the fast gaze, I don't care now to see the way  
Do you hear the silence? I was far too late Oh, living for the city and it's always troubling  
To keep it in the hot lane, I don't care about no scenery  
And you run from it then, now you can't escape 'Cause it's all you see  
But we're all just an end to a simple thing  
And it's all you see and it's all you see We're just tamer animals  
We're just tamer animals Solitary motion in the wake of an avalanche  
We took a hit then, trying to see if you hold it in  
And you run from it then, now you can't escape 'Cause it's all you see  
But we're all just an end to a simple thing  
And it's all you see and it's all you see We're just tamer animals  
We're just tamer animals  
We're just tamer animals
