Feeding the Fire

Hayley Kiyoko

Stay or should I go
Give me 'yes' or 'no'
It's all a mystery
It's all the little things
Tell me what you want this to be
Tell me what you want me to seeI just can't catch a break
When everything's at stake
Looking for a way
Not a fast escape
I know what I want this to be
I know what I want me to seeGet your heavy weight off my back
I'm on the right track
And you're feeding the fire
Walk the thinnest line to me back
I'm on the right track
And you're feeding the fire
You're feeding the fireLet go of everything
Before we make it sting
You're dragging things along
But I can't sing that song
I know what I want this to be
I know what I want me to seeGet your heavy weight off my back
I'm on the right track
And you're feeding the fire
Walk the thinnest line to me back
I'm on the right track
And you're feeding the fire
You're feeding the fire
You're feeding the fireGo go just go
Go go just go
Go go just go
[repeat x4]Get your heavy weight off my back
I'm on the right track
And you're feeding the fire
Walk the thinnest line to me back
I'm on the right track
And you're feeding the fire
You're feeding the fire
You're feeding the fireGet your heavy weight off my back

You're feeding the fireGet your heavy weight off my back
You're feeding the fire
You're feeding the fireI'm on the right track
You're feeding the fire
