Over You

Lasgo

You know i don't need your love Cause it was never true Can't you see i've had enough I'm already over you The world get's dark But i'm not coming home tonight Too late to talk, I'd rather be alone then caught in a fight You can't change what you've done, and sorry is not enough Now i see you'll never be, what i was dreaming off You know i don't need your love Cause it was never true Can't you see i've had enough I'm already over you You know i don't need your love

Cause it was never true Can't you see i've had enough I'm already over you Don't act so cool, There's nothing you can't say or do You're such a fool, if you think i will stay one minute with you Boy i know what you've done, still i won't shed a tear You can pray all you want, but it won't keep me here You know i don't need your love Cause it was never true Can't you see i've had enough I'm already over you You know i don't need your love Cause it was never true Can't you see i've had enough I'm already over you
