

Dancer

Xandria

She walks on the moonlit snow
She's winter hearted, so you say
But you don't seeShe's a dancer on the glass
That's broken like her past
She would never fleeFascination is her nameShe is dancing in the wind
Almost dancing everything
Every moment of her lifeShe is taking me with her
With the music in her heart
She is breaking every iceShe is talking with the world
A far-traveled bird
Her soul's her homeSee how light are all her moves
Just follows her own rules
But she is not aloneFascination is her nameShe is dancing in the wind
Almost dancing everything
Every moment of her lifeShe is taking me with her
With the music in her heart
She is breaking every iceShe is dancing in the wind
Almost dancing everything
Every moment of her lifeShe is taking me with her
With the music in her heart
She is breaking every ice in me
