Suspicious Minds

Fine Young Cannibals

Advisory - the following lyrics contain explicit language:

We're caught in a trap and I can't walk out
Because I love you too much baby
Why can't you see what you're doing to me
When you don't believe a word I say?We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious mindsShould an old friend I know stop and say, "Hello"
Would I still see suspicion in your eyes?
There you go again asking where I've been
You can't see these tears I cryWe can't go on together
With suspicious minds
And we can't build our dreams
On suspicious mindsOh, let our love survive
I'll dry the tears you're crying
Don't let this good thing die
You know I've never lied to you
No, no, noWe're caught in a trap and I can't walk out
Because I love you too much baby
Why can't you see what you're doing to me
When you don't believe a word I say?We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious mindsWe're caught in a trap and I can't walk out
Because I love you too much baby
Why can't you see what you're doing to me
When you don't believe a word I say?I'm caught in a trap and I can't walk out
Why? Because I love you too much baby
Why can't you see what you're doing to me
When you don't believe a word I say?
