Splits Are Parted

Amen Dunes

Splits are parted and they're parting later
Go to bed now, it's in your soul
Gonna see me goin' inside
Gonna see me goin' inside
Oh, I could love you
Oh, that'd be easyMoved to free house with violent people
Roam the streets at night
Born to love your jagged sound
Sing a decent dime
Oh, I could love you
Oh, I could make it easy
Took the kid out, I am him
Simply God take it to Israel
I could see love and God
If you need it, see it
This is all
Won't you fall?
Since I started pouring easy
Things have all fell in line
I will never figure it out
Didn't they come in time?
Oh, I could find you
Oh, then you'd be easy
