

# Hollywood Tonight (DJ Chuckie Remix Radio Edit)

## Michael Jackson

Lipstick in hand  
Tahitian tan  
In her painted on jeans She dreams of fame  
She changed her name  
To one that fits the movie screen  
She's headed for the big time that means She's going Hollywood  
She's going Hollywood tonight  
She's going Hollywood  
She's going Hollywood tonight  
She's going Hollywood  
She's going Hollywood tonight  
It's true, that you,  
May never ever have that chance again  
That chance again babe West bound Greyhound  
To tinsel town  
Just to pursue her movie star dreams  
She's giving hot tricks to men  
Just to get in  
When she was taught that that's not clean  
She's headed for the big time that means She's going Hollywood  
She's going Hollywood tonight  
She's going Hollywood  
She's going Hollywood tonight  
She's going Hollywood  
She's going Hollywood tonight  
It's true, that you,  
May never ever have that chance again  
That chance again babe Lipstick in hand
