Has Anyone Ever Written Anything for You

Stevie Nicks

Has anyone ever written anything for you?
In all your darkest hours have you ever heard me sing?
Listen to me now, you know I'd rather be alone
Than be without you, don't you knowHas anyone ever given anything to you in your darkest hours?
Did you ever give it back?
Well, I have, I have given that to you
If it's all I ever do this is your songAnd the rain comes down
There's no pain and there's no doubt
It was easy to say, I believed in you everyday
If not for me then do it for the worldHas anyone ever written anything for you?
And in your darkest sorrow did you ever hear me sing?
Listen to me now you know I'd rather be alone
Than be without you, don't you knowSo, if not for me, then do it for yourself
If not for me, then do it for the worldPoet priest of nothing
