

# Heartache Tonight

Michael Buble

Somebody's gonna hurt someone  
Before the night is through  
Somebody's gonna come undone  
There's nothing we can do  
Now everybody wants to touch somebody  
If it takes all night  
Now everybody wants to take a little chance  
And make it come out right, let's go  
There's gonna be a heartache tonight  
A heartache tonight, I know  
There's gonna be a heartache tonight  
A heartache tonight, I know, oh, let's go, babe  
Now some people like to stay out late  
Now some folks can't hold out that long  
But nobody wants to turn back now  
There's too much going on  
Now this night is gonna last forever  
And last, and last all summer long  
Some time before the sun comes up  
The radio is gonna play that song  
There's gonna be a heartache tonight  
A heartache tonight, I know, oh  
There's gonna be a heartache tonight  
A heartache tonight, I know, oh, let's go, babe  
There's gonna be a heartache tonight

The moon's shining bright  
So turn out the light and we'll get it right  
There'll be a heartache tonight  
A heartache tonight, I know  
Somebody's gonna hurt someone  
Before the night is through  
Somebody's gonna come undone  
There's nothing we can do  
Now everybody wants to touch somebody  
If it takes all night  
Now everybody wants to take a chance  
And make it come out right, right  
There's gonna be a heartache tonight

A heartache tonight, I know  
There's gonna be a heartache tonight  
A heartache tonight, I know, oh, let's go, babe  
Well, we can beat around the bushes  
We can get down to the bone  
We can leave it in the parking lot  
But, but either way  
There's gonna be a heartache tonight  
A heartache tonight, I know  
There's gonna be a heartache tonight  
A heartache tonight, I know
