Cheat

The Honeybees

How do I say this? Baby I'm sorry but I cheated
And I don't know what the fuck is wrong with me
Check it out
Baby girl, I know I used to do some mill shit to you
Coming home late, jumping in the shower
To wash off the last chick's perfume, changing my drawers
Stuff 'em down to the bottom hamper, taking numerous trips
To Atlanta, Miami, Tampa, girl I was doin' my thing
Then I seen the pain in your brown eyes
Made me realize I, that I was breaking you down
What goes around, comes around and girl when I lost it all
You never walked away, baby you stood your ground
Girl, I know I cheated on you before, I can't say I won't do it again
Stay by my side girl, I know I can change
Sometimes I don't know what the fuck is wrong with me
Girl, I know I cheated on you before, I can't say I won't do it again
What would I do without you
I know I had good girl, beautiful inside and out, it's like
I can't get enough, what I have for you is love, with them it's only lust
Telling you I'm in the studio when I'm up in the telly
Freakin' 'em, when I promised I'd take the weekend off
But yet and still you stayed and I see your friends
Lookin' at me crazy, they don't want to see me with you
But I need you in my life, I don't want to pay the price
Of losing you, it's time for me to stop now, girl I throw in the towel
Yeah, yeah, yeah

'Cause now I keep myself out of juice
So I'ma do what I can to tell you the truth
Believe me baby 'cause my best is all I can do, ooh
Girl, I know I cheated on you before, I can't say I won't do it again
Stay by my side girl, I know I can change
Sometimes I don't know what the fuck is wrong with me
Girl, I know I cheated on you before, I can't say I won't do it again
What would I do without you
But the clubbin' and the drinkin' took over
And now it's time to make it right, so I know I will for you
No more coming home late staggering
Yawning, going to sleep snoring girl

I know there's nothing out there for me but you
I keep slipping and slipping, I stop for a minute
Then I'm right back cheating on you, you, you, you
Yeah yeah, ooh
I'm sorry baby, hey, hey, hey, what do you want me to do?
How can I make it up to you? I don't want to cheat again
My heart is yours, no more cheating but I can't say I won't do it again
But I'm man enough to admit that I love you
Girl, I know I cheated on you before, I can't say I won't do it again
Stay by my side girl, I know I can change
Sometimes I don't know what the fuck is wrong with me
Girl, I know I cheated on you before, I can't say I won't do it again
What would I do without you
