

Face in a Crowd

Kosheen

We move in numbers
Like shifting sand
But we're too eager
To understand
'Cause we're not ready
We're too proud Now we're finding a different way
We've been chasin' each others tails
Now we're ridin' a new wave
All on our own way
More than a face in the crowd (a face in a crowd) Hundreds of people
All runnin' 'round
But there's no color
And there's no sound
We move in silence
Looking down Now we're finding a different way
We've been chasin' each others tails
Now we're ridin' a new wave
All on our own way
More than a face in the crowd A face in a crowd Now we're finding a different way
We've been chasin' each other's tails
Now we're ridin' a new wave
All on our own way
More than a face in the crowd (a face in a crowd) Na na na na na na na-na na
Na na na na na na na-Na
Na na na na Na More than a face in the crowd Na na na na na na na-na na
Na na na na na na na-Na
Na na na na Na More than a face in the crowd
