

# Some Kind of Life

## Admiral Fallow

I left the house  
And started the next chapter.  
Flew with the feeling,  
Somewhere between bliss  
And how to redact her.  
From the page,  
Ever present,  
But hidden from past.  
Surrounded by circumstance,  
I was high flying.  
Smothered with love  
But gaurded by guilt.  
I am standing in the middle of being  
Wholey content  
And completely at odds with the life that I've built  
Two sides:  
An everest climb,  
A never ending tussel with the mind.  
I've wasted two sides,  
An everest climb,  
A never ending tussel with the mind  
I've wasted words on such things before.  
Ooooooh!  
Ooooooh!  
This is some kind of life though.
