

Let's Go to the Motherfucking Movies

Mike Doughty

Upstarted, full-hearted, flashed in flight like a Houstonite
Get carded, seas parted, crash your kite like a Trotskyite
Unsated, placated, tote your knife to the afterlife
Dilated, ill-fated, too uptight, chew on anthraciteLet's go to the movies
Let's go, let's go to the movies
Let's go to the movies
Let's go to the motherfucking movies
Let's go to the movies
Let's go, let's go, let's go to the movies
Let's go to the movies
Let's go to the motherfucking moviesWhy you're on your own
Why you're on, you're on your own
On your own
Why you're on your own
Why you're on your own
Why you're on, you're on your own
On your own
On your ownCold reeling, sweet feeling, leonine and the sparkling wine
Wax lax-ed, retract-sed, clap your jaw like the hope bourgeois
Red rusted, omni-bused, crack your spine on the ledger line
Weird laughter, pine rafter, fax your gaff to the general staffLet's go to the movies
Let's go, let's go to the movies
Let's go to the movies
Let's go to the motherfucking movies
Let's go to the movies
Let's go, let's go, let's go to the movies
Let's go to the movies
Let's go to the motherfucking moviesWhy you're on your own
Why you're on, you're on your own
On your own
Why you're on your own
Why you're on your own
Why you're on, you're on your own
On your own
On your ownLet's go to the movies
Let's go, let's go to the movies
Let's go to the movies
Let's go to the motherfucking movies
Let's go to the movies

Let's go, let's go, let's go to the movies
Let's go to the movies
Let's go to the motherfucking movies Why you're on your own
Why you're on, you're on your own
On your own
Why you're on your own
Why you're on your own
Why you're on, you're on your own
On your own
On your own
