

My! My! Time Flies!

Enya

My, my, time flies, one step
And we're on the moon
Next step into the stars
My, my, time flies
Maybe we could be there soon
A one way ticket to MarsMy, my, time flies
A man underneath a tree
An apple falls on his head
My my time flies
A man wrote a symphony, it's 1812My, my, time flies
Four guys across Abbey Road
One forgot to wear shoes
My, my, time flies
A rap on a rhapsody
A king who's still in the news
A king to sing you the bluesMy, my, time flies
A man in a winter sleigh
White white white as the snow
My, my, time flies
A new day is on its way
So let's let yesterday go
Could be we step out again
Could be tomorrow but then
Could be 2010
