I'm Gone

Fat Joe

Heavenly father
Preed of all things
I thumble then say
As about to your throne

Heavenly father

Before I sleep I pray to the lord my soul to keep,
And if I should die before I wake, I pray to the lord my soul to take
For goodness sake
Before I sleep I pray to the lord my soul to keep,
And if I should die before I wake, I pray to the lord my soul to take

Heavenly father

God forgive me for the killings in the past
All of corrupt business in the dealings that I have
All of these pregnant ladies that I syruped on there ass
Have me feeling like am a bishop when I hold my first gat
They killed tom right infront of his home,
They even murdered steve my mpv
So I dropped to my knees, why it couldn't be me
Why you had to leave me here to deal with all of these mv's
Even when I got free am feeling I ain't free
Hated by the (), being something they can't be
A couple hundred million, a something will never see
So we speak crossing that verse into a tree

Heavenly father

Before I sleep I pray to the lord my soul to keep,
And if I should die before I wake, I pray to the lord my soul to take
For goodness sake
Before I sleep I pray to the lord my soul to keep,
And if I should die before I wake, I pray to the lord my soul to take

Heavenly father

I've paid niggas rents,
Even paid niggas bells,

Gave niggas jobs, so they wouldn't go to jail
Did so much dirt, niggas knew I won't tell,
Played for some funerals, they probably what the hell
I don't owe nobody nothing man,
I gave that bitch a mil
I bein' around the bullshit
I am just speaking on what's real
I ain't talking on the bullshit
Man am talking about what's real
I am justifying bettles, what cheated on my kneels,
Cheated with this brother, god damn this bitch ill
Probably the reason my nigga never left a well
Things you've never know, I had a mercy on a soul
Big bone, one of the most realest I ever known

Heavenly father

Before I sleep I pray to the lord my soul to keep,
And if I should die before I wake, I pray to the lord my soul to take
For goodness sake
Before I sleep I pray to the lord my soul to keep,
And if I should die before I wake, I pray to the lord my soul to take

Heavenly father

When I die, I know they'll bury me a g
Don't cry for me, just let a nigga be
In other words, letta nigga rest in piece
I've been goin' so high , and I barely got a sleep
Lord I know my mamma come take my passing hard
But let her know when we suits to little point is gone
Last of the mohicans, taking motherfuckers hearts
Many wars you could see'em on the bullet's scarves.
Lord can't you forgive me for my sinks,
Let me fly witchua help in niggas feathers' wings
Hazaride you'll forever be my queen
Stop for now, Danny had to go and meet the king

Heavenly father

Before I sleep I pray to the lord my soul to keep,
And if I should die before I wake, I pray to the lord my soul to take
For goodness sake
Before I sleep I pray to the lord my soul to keep,
And if I should die before I wake, I pray to the lord my soul to take

For goodness sake

Heavenly father
Preed of all things
I thumble then say
As about to your throne
Heavenly father
