I'll Be Seeing You

Steve Tyrell

I'll be seeing you
In all the old familiar places
That this heart of mind embraces
All day through in that small cafe
The park across the way
The children's carousel
The chestnut tree
The wishing well
And I'll be seeing you
In every lovely summers day
In every thing that's light and gay
I'll always think of you that way
I'll find you in the morning sun
And when the night is new
I'll be looking at the moon
Oh, but
I'll be seeing you
In every lovely summers day
In every thing that's light and gay
I'll always think of you that way
I'll find you in the morning sun
And when the night is new
I'll be looking at the moon
But I'll be seeing you
