Mister Big Time

Armageddon

I've been watching my TV
It's got a hundred different stations
They all look the same to me
Now I'm ready for a new sensationI'm getting ready for the big time
Someday I'm gonna be in big time news
Don't have to take it when you're big time
Someday you'll call me Mister Big Time tooIn the big reclining chair
With a cold six pack of beer
You've got a front row seat
Lean back and put up you're feet
Man, the future is looking bright from hereI'm getting ready for the big time
Someday I'm gonna be in big time news
I can taste it, I'll be prime time
Someday I'm gonna be in big time news
Don't have to take it when you're big time
Someday you'll call me Mister Big Time tooI'm getting ready for the big time
Someday I'm gonna be in big time news
Ain't gonna waste it when I'm big time
I'll be ready for it, bing, bang, boomI can taste it, I'll be prime time
Someday I'm gonna be in big time news
Don't have to take it when you're big time
Someday you'll call me Mister Big Time too
