

# Blak and Blu

Gary Clark Jr.

When you feeling down and out  
When you feeling blak and blue  
You should feel like you can come to me  
And I'll tell you the truth  
It's somewhere we've got twisted  
How do we get lifted  
How do we not go insane  
For so long we've existed  
Still we all resisted  
Why is it we still remainBlak and blue, yeah  
Oh no, don't leave meBlak and blue, yeah  
Oh no, don't leave meBlak and blue, yeah  
Oh no, don't leave meIt's not you get just what you paid for  
Ain't that you reap just what you saw  
You won't get everything you pray for  
Surprises me you don't know by now  
I need something to hold on to  
While the world is spinning round and round  
You could crumble any moment  
I keep my feet on solid ground for nowBlak and blue, yeah  
Oh no, don't leave meBlak and blue, yeah  
Oh no, don't leave meHeyBlak and blue, yeah  
Mama don't leave meBlak and blue, yeah  
Blak and blue father dont leave me,Blak and blue, yeah  
Blak, Blak and blueNo I won't leave you
