

Little Arithmetics

dEUS

 Into temptation, over in doubt
 Black night, neonlight into my house
 talking talking talking about

Out of frustration, over in doubt Hold me now, I'm hoping that you can explain
 Little Arithmetics

 Got me down, they're fooling me again and again
 Little Arithmetics

Got me down Sometimes I feel like going down south Sometimes I'm feeling alright

 Sometimes I feel like I'm over and out Sometimes I'm losing my mind
 Talking talking talking about Sometimes the day is the night

 Into temptation, over in doubt Sometimes I don't want to fight Hold me now,
 I'm hoping that you can explain

 Little Arithmetics

 Got me down, they're fooling me again and again
 Little Arithmetics
 Got me down
