The Sun

Sorry Boys

Do you remember the time?
We were so wild
Diving deeper and deeper
Full moon low in the sky
Gave us a sign to make love

There was only the Sun
Above our
Above our hearts
Full moon low in the sky
No one no one could stop us

With full moon at heart
Sunday's child never cries
Diving deeper and deeper
No one can stop that

There was only the Sun
Above our
Above our hearts
Full moon low in the sky
No one no one could stop us

We are only the Sun
Above our
Above our hearts
Full moon low in the sky
No one no one can stop us
