

# November Has Come

## Gorillaz

Slow it down some no split clown  
Bum, your old hit sound dumb, hold it now, crown 'em  
Where you found them at got 'em 'round town  
Coulda drowned in and it woulda floated bloated  
Voted sugar coated loaded hip shooter Draw for the poor free coffee at the banks  
Hit through the straw none more for me, thanks  
That blanks the raw that dang sure stank lit  
Sank passed the pit for more hardcore prank spit Crank it on blast, roll past front street  
Blew the whole spot like some old ass with skunk meat  
These kids is too fast, juiced off a junk treat  
Who could get looser off a crunk or a funk beat? Something is starting today  
Where did he go? Why you wanted to be?  
Well you know, November has come  
When it's gone away Something is starting today  
Where did he go? Why you wanted to be?  
Well you know, November has come  
When it's gone away Baha can you dig it like a spigot  
My guess is yes you can like, can I kick it, wicked  
Liquor shot, if you happy and you know it  
As you clap your hands to the thick snot of a poet flow it Broke a pen and I'm in cope hymen  
Dope or rhyming all worth it then the hope diamond  
Required off the black market or wire tappin'  
Couldn't target a jar of spit the rapid fire spark lit A rapper bug zapper  
And it don't matter after if they's a thug or a dapper  
Plug yer trap or it's maximum exposure  
The beast got family in numbers asking 'em for closure Aw, send 'em a gun an tell 'em clean it  
Then go get the nun who said her son didn't mean it  
She wore a filled-in thong, a billabong  
And said, nah, fo realla the Villain on a Gorilla jawn? Something is starting today  
Where did he go? Why you wanted to be?  
Well you know, November has come  
When it's gone away Something is starting today  
Where did he go? Why you wanted to be?  
Well you know, November has come  
When it's gone away When it's  
When it's gone away
