

Beautiful Life

[nick fradiani](#)

Oh, what a beautiful life
 These days
Well, they're looking up
 We got so much to say
We got someone to love
 We got good friends
 They're so good to us
 And haters can hate
And fakers can front So we try to live
 Like it's all we've got
'Cause for all we know This could be the last night of our lives
 Gonna chase down our every desire
 We blaze the night
 With all we've been waiting for
 All this time
 Reaches such great heights
 Gives us just one perfect night
 To say Oh, what a beautiful life
Oh, what a beautiful life Comes out of the dark
 We got nothing to fear
 We got nothing but heart
 Can't just wait here to see what it brings
 We got too many hopes
We got too many dreams So we try to live
 Like it's all we've got
'Cause for all we know This could be the last night of our lives
 Gonna chase down our every desire
 We blaze the night
 With all we've been waiting for
 All this time
 Reaches such great heights
 Gives us just one perfect night
 To say Oh, what a beautiful life
Oh, what a beautiful life Last night of our lives
 Gonna chase down our every desire
 We blaze the night
 With all we've been waiting for
 All this time
 Reaches such great heights

Gives us just one perfect night
To say Oh, what a beautiful life
Last night of our lives
Gonna chase down our every desire
We blaze the night
With all we've been waiting for
All this time
Reaches such great heights
Gives us just one perfect night
To say Oh, what a beautiful life
Oh, what a beautiful life
Beautiful life
Oh, what a beautiful life
Oh, what a beautiful life
