Before I Wake

Bob Hate

Before I Wake

If I should die before I wake
Remember that I loved you
If I should never pass this way
Remember all the love I brought

And if I never speak your name
Pray itâ€™s the last thing on my lips
If I should die before I wake
Let me leave you with this kiss

Donâ€™t bury my ashes in a grave
Leave them somewhere where the wind will carry them away

If I should die before I wake
Donâ€™t regret the things undone
Learn to live again
Like we did once

And if I never speak your name
Remember how I did on that first night
And know I would again
If I only could

Donâ€™t bury my ashes in a grave
Leave them somewhere where the wind will carry them away
Somewhere near, where you lay

If I should die before I wake
If I should die before I wake
If I should die before I wake
Remember that I loved you
