

Infinity

One Direction

VERSE 1

Down to earth,
keep on falling when i know it hurts,
going faster than a million miles an hour,
trying to catch my breathe someway somehow.

Down to earth,
it's like I'm frozen but the world still turns,
stuck in motion but the wheels keep spinning around,
moving in reverse with no way out.

Now I'm one step closer to be two steps far from you when everybody wants you, everybody wants
you.

CHORUS

How many nights does it take to count the stars?

That's the time it would take to fix my heart

Oh, baby I was there for you,

all i ever wanted was the truth

yeah yeah How many nights have you wished someone would stay?

Lay awake only hoping they're okay,

I never counted all of mine, if i try I know it will feel like infinity infinity infinity infinity

VERSE 2

Eyes can't shine,

unless there's something burning bright behind.

Since you went away, there's nothing left in life,

I feel myself running out of time

Now I'm one step closer to be two steps far from you when everybody wants you, everybody wants
you.

CHORUS:

How many nights does it take to count the stars?

That's the time it would take to fix my heart

Oh, baby I was there for you,

all i ever wanted was the truth

yeah yeah How many nights have you wished someone would stay?

Lay awake only hoping they're okay,

I never counted all of mine, if i try I know it will feel like infinity infinity infinity infinity (instrumental)

How many nights does it take to count the stars?

That's the time it would take to fix my heart

Oh, baby I was there for you,

all i ever wanted was the truth

yeah yeah How many nights have you wished someone would stay?

Lay awake only hoping they're okay,

I never counted all of mine, if i try I know it will feel like infinity infinity infinity infinity
