

# Coconut Dracula

## Islander

You don't see the world the way I do.  
Your eyes, They no longer search for truth  
because you found it.

I don't feel used when I'm with you.  
I don't feel abused when I am with you.

oh no

oh no You're not out for blood.

You only want what's beautiful

You're not out for blood.

You're in love with truth. I wanna be someone more like you  
someone more like you.

I wanna be someone more like you

Coconut Dracula. I want my eyes to be like yours.

I want to know what defines my worth.

Oh please, can you tell me? I don't feel used when I'm with you

I don't feel abused when I'm with you.

oh no

oh no You're not out for blood.

You only want what's beautiful

You're not out for blood.

You're in love with truth. I wanna be someone more like you  
someone more like you.

I wanna be someone more like you

Coconut Dracula. I need you to teach me what you know. Is this what it's like to see through your eyes?

Is this what it's like to see? I wanna be someone more like you

Coconut Dracula.
