LIVING IN PEACE MUSIC BY Norvald Kjenstad â€“ Lyric Norvald Kjenstad and Charlotte Castillo Nirenberg
copy write Tono 2015

Some tears were falling
But the voice was calling
All alone I can stay for this day
And I hope that you can teach me
To get free from the loneliness I'm living in

When will everyone feel good?
Living like they should
When will everyone feel good?
Living like they should â€“ in peace
Living in peace

I do recall

All of the wars

And the killing

As I sit here thinking
And my thoughts keep sinking
I can feel I'm closer to my heart
And I hope that you can teach me
To get free from the loneliness I'm living in

When will everyone feel good?
Living like they should
When will everyone feel good?
Living like they should â€“ in peace
Living in peace

I do recall

All of the wars

And the killing

Solo instrumental

Close my eyes and drifting

As my spirit is lifting

All the way to the center of the world

And I hope that you can teach me

To get free from the loneliness I'm living in

When will everyone feel good?

Living like they should

When will everyone feel good?

Living like they should "in peace

Living in peace

Living in peace
