

Love To Love You

The Corrs

I would love to love you like you do me
I'd love to love you like you do me I met you on a sunny Autumn day
You instantly attracted me when asking for the way
God if I had known the pain I'd make you feel
I would have stopped this thought of us, and turned upon my heel Though you should leave me
Time make it be alright
Though you must leave me
Believe me when I tell you I would love to love you like you do me
I'd love to love you like you do me
There's a pillar in my way you see
I'd love to love you like you do me You recognized my barrier to love
I know there's nothing worse than unrequited love (unrequited love)
So I prayed to God that I could give the love you gave to me
But something's lying in my way, preventing it to be Though you should leave me
Time make it be alright
Though you must leave me
Believe me when I tell you I would love to love you like you do me
I'd love to love you like you do me
There's a pillar in my way you see
I'd love to love you like you do me I would love to love you like you do me
I'd love to love you like you do me
But there's a pillar in my way you see
I'd love to love you like you do me Break those pillars down
Break those pillars down (Love to love you like you do me)
Break those pillars down
(Love to love you)
(Love to love you)
(Love to love you)
Take those pillars down
(Love to love you)
(Love to love you)
(Love to love you)
(Love to love you)
