

# Now That We Found Love

## Heavy D

Yeah

Now that we found love what are we gonna do (What are we gonna do)

With it (With it)

Now that we found love what are we gonna do (Hey)

With it (Now)

One two, tell me what you got

Let me slip my quarters inside your slot to hit the jackpot

Rev me up rev me up, my little buttercup

We can tug sheets snuggle up and get stuck

Believe it or not here comes the brother with glow

A strugglin', bubblin' overweight lover hurt prone

So what's it gonna be, me or the TV?

Now let me take time to set your mind and your body free

(Now) So why don't you just stretch, stretch for a sec

Played stretch so I could cop a quick rec

Shake me, shake me, baby baby bake me

No need to fake here I am, come on and take me

Wind your body

Baby move your body

I see you slip sliding, come on now do it hottie!

I'm not quite sure as to what is going down

But I'm feeling Hunky Dory 'bout this thing that I found

Now that we found love what are we gonna do with it

Now that we found love what are we gonna do with it (Come on Heavy, come on Heavy)

(Now) I like the way you wiggle you don't jiggle once you jiggle

So hand over your love 'cause it's heavier than it'll

Move her like a mover she wanted to groove so I grooved her

Then she wanted to learn so we did school and I schooled her

(Now) Mary had a little lamb, but not like this

We can waltz and turn, rumble tumble and twist

Then you think you gonna give in

Fantasies relivin'

So lay down and relax (Yeah baby, that's it)

(Now) Lover my lady

Lady love of my baby girl

Spread your wings so we can fly around the world  
Harmony, charm of me  
Your fingertips are callin' me  
When you drop me kisses you're so cute you drop the bomb on me

(Now) Stretch it, stretch it, flex it, flex it  
Gimme the permission  
Okey dokey I'll bless ya  
Blessin' like Buddha, Buddha as the bless  
You can lay down on the lover, put your head on my chest (Now that we)

Now that we found love what are we gonna do with it (What are we gonna do with it)  
Now that we found love what are we gonna do with it (TR, get em up one time)

(Now) Uh, keep it funky  
Yeah (Keep it smooth) like this  
(Now) Uh, here we go  
(Now) What can we do  
What are we gonna do  
Roses are red and Violets are blue  
Love is good and plenty if you get plenty good lovin'  
Kiss you where you're hot to what I got to keep you bubblin'

(Now) Do me right, do me right, my lonesome dove  
Tell me one more time what is this thing called love  
I'm not quite sure as to what is going down  
But I'm feeling Hunky Dory  
About this thing that I found (Yeah)

Now that we found love what are we gonna do with it (Teddy Riley in the house)  
Now that we found love what are we gonna do with it (C'mon, c'mon, G Wiz, DJ NF, let's flex)

Now that we found love what are we gonna do with it  
Now that we found love what are we gonna do with it (I need to know, somebody got to tell me, got to tell me)

What are we gonna do with this love, oh sweet love yeah  
Oh yeah, uh, shake it, shake it  
C'mon do the right thing baby (Shake it, shake it)

Now that we found love what are we gonna do with it (Here we go, keep it funky)  
Now that we found love what are we gonna do with it (Put your hands together, uh)

(Now) All up in money my furnish was decades you hear what I'm sayin'  
Brooklyn, Bronx, Queens, Manhattan  
The whole New York City  
I said I love you to death, and you don't stop, and you don't quit

You got keep it on to the dip dip, do it like this  
And you don't stop, and you don't quit  
You got keep it on and on and on and on

(Now) Uh yeah yeah aye aye, ha ha  
Huh, (C'mon) oh yeah  
Now that we found love what are we gonna do with it
