Like U Like

Aggro Santos

And you can have all of me tonight
Ain't nobody else gonna make it right
You got me like a bullet taking flight
I'll hit you right
Just like you likeAnd you can have all of me tonight
(Mr Santos)
Ain't nobody else gonna make it right
(Nobody... right)
You got me like a bullet taking flight
(Vamos vooar no ar, vamos!)
I'll hit you right just like you likeThey call me chef, they like the way I mix it
If you can take the heat come and step into my kitchen
Tell me how you like it
Tell me how you want it
I'm prepared to give it to you
I don't even have to front row
Give me the order
How do you want it served
If you want the main course
Lets get the orders
I'm heading home
How many drinks before your with me baby
Um, dois, tres, quatro, cinco, seis, sete
ai ai ai ai ai, ai ai ai ai bonita
ai ai ai ai ai, ai ai ai ai I need ya.And you can have all of me tonight
Ain't nobody else gonna make it right

The way you bite on my lips
