Volcano

Dethklok

We Climb Molten Rock
Sweating Bleeding We Can't Stop
Dream Demons Whisper Spells
To Punish The Dwellers In Earthly Hell
Starved Still We Reach The Top
Close Our Eyes Look Toward The Gods
Summon Fire From The Earth
Incite The Flames We Fear Not DETH
Magma Heats
We Fear Not DETH
Darkened Hills
We Fear Not DETH
Molten Rock
We Fear Not DETH
Volcanic Kills
We Fear Not DETH
Mantle Crust Ignites
Bleeding Heated Birth
Will We Die Tonight?
Punished By The Earth

Highland Fires
Run For Shelter
Incantaions
Help No Better
Frozen Human
While They're Fleeing
Horrid Sculpture
Forever Screaming
Mantle Crust Ignite
Bleeding Heated Birth
Will We Do Tonight?
Punished By The Earth
Come And Take Us
Me Mock Your Anger
We Laugh At Your Power
We Fear Not DETH
We Fear Not DETH
We Challenge Your Furry

We'll Dive In To Lava
And Burn like We're Cinders
We Fear Not DETH
We Fear Not DETH
