

Main Street

Kat Perkins

I can't sleep, I can't close my eyes
Blinked one second, the whole world pass you by
 Yeah, I guess I'm in
 All the days you spent
I can't eat, I can't use my mouth
Miss one day and the whole world cast you out
 Yeah I guess I try
 All the times a lie
Of goodbye times, you ain't on my side
 Satisfaction, too much of mine
 Song goes here, never let me down
 Oh the main street seems so lonely now
 I can't hear, I can't use my ears
Miss one speech and you're uninformed to tears
 Yeah I guess I'm scared

 Every time I care
 I can't breathe, I can't use my nose
 Miss one man from the start I'm bag ? alone
 Yeah I guess I'm wrong
 I can't sing a song
 Of goodbye times, you ain't on my side
 Satisfaction, I go way too much of mine
 Song goes here, never let me down
 But the main street seems so lonely now
 I can't write, I can't bleed my soul
 Loose one friend and you whole might find its whole
 Yeah I guess you're strong
 But I won't let it show
 Speak to me again,
 And I have never have felt it, before.
