

Tell Me It's Love

Westlife

After all the lights comes out
And the circus has left town
Will you be the one I can count on?
Will you be around? When the stage is dark and empty
And the last song has been sung
Will the love you feel still be strong
To help me carry on? Let me know the words inside you
Say I do Tell me it's love
That's all I wanna hear you say
That we're enough
That you're always gonna feel this way No matter what, no matter where
You know I'll do it all again
Tell me it's love, tell me it's love
Say I'm the one When it's easier to walk away
Are you strong enough to turn the page?
Do you know how to begin again?
Would you let me in? I get through anything I have to
If I got you Tell me it's love
That's all I wanna hear you say
That we're enough
That you're always feel this way No matter what, no matter where
You know I'll do it all again
Tell me it's love, just tell me it's love
Say I'm the one 'Cause you know I want nothing else
But to have you to myself
Your love is all I ever knew
If you feel it Let me know the words inside you
Say I do Tell me it's love
That's all I wanna hear you say
That we're enough
That you're always gonna feel this way No matter what, no matter where
You know I'll do it all again
Tell me it's love, tell me it's love
Say I'm the one That's all I wanna hear you say
That we're enough
That you're always gonna feel this way No matter what, no matter where
You know I'll do it all again
Tell me it's love, tell me it's love
Say I'm the one, say I'm the one
