They Fuck You Over

Le Butcherettes

they fuck you over hunnys
they fuck you when you sleep
they fuck you when you wanna wake up
they're always looking for a way to fuck you overwinners never touch skins
they know how to eat like bull dogs
they fuck you over
na na na na na
they fuck you over
na na na na na na
blank is the world that they wake up to
in the morning when they're empty laying next to lies
they fuck you over
na na na na na
they fucked us over
na na na na na na
those sharks have done it again
they bathe in every????
I've tried to manage this game
by doing the worst that I can
the eyes they show are full of green
silly little lips that are???
they fuck you over
na na na na na
they fuck you over
na na na na na na
I wanna be a loser
to live in a mind of a tainted???
come fuck me over
na na na na na
come fuck me over
na na na na na na
over over over over
