If It Wasn't True

Shamir

I'm sitting on the couch, feeling alone
I don't feel right, cause no one's home
I start to think about the things in the past
The feelings were right, the fun always lastsYour kiss it was so sweet, it meant everything
It felt like commitment, without a ringNow I feel like we don't have no fun
This isn't for me, I don't like what we've becomeNow we just fight and I can't look at you
The silent treatment is all that we doI tried to let you know that you were wrong
But all it did was keep you goneI wanna cry, I wanna feel emotions now
I'm kicking and screaming and having a cow
Now I can't even talk to you, I guess this is it
I guess that we are through, are throughBut girl
I woulda known about it
I woulda known about it
If it wasn't trueBut girl
I woulda known about it
I woulda known about it
If it wasn't true(True, true, true, true)
(True, true, true, true)
(True, true, true, true)The sun is out and there's no more clouds
I feel I can approach you nowI can be with you without feeling down
Yeah, we can speak without a single shout
We took some time to heal all our wounds
Now what was made by me and you?Now we can let go of the little things
This isn't love, I guess that it wasBut girl
I woulda known about it
I woulda known about it
If it wasn't trueBut girl
I woulda known about it
I woulda known about it
If it wasn't trueBut girl
I woulda known about it
I woulda known about it
If it wasn't trueBut girl
I woulda known about it
I woulda known about it
If it wasn't true
