

# The Cheesiest Line

## Captain Everything!

Sometimes it's hard to be alone  
We never make love through the telephone  
And I won't tell your Mum  
If you say that you'll come  
If you don't I'll have fun on my own  
I can have lots of fun on my own  
I can have lots of fun on my own  
I can have lots of fun on my own  
How much fun can you have on your own? I got a picture on my wall  
(It hangs there all night)  
I hardly notice it at all  
And I know that it's wrong  
You've been gone for so long  
I'm not asking for anything more  
I'm not asking for anything more  
I'm not asking for anything more  
I'm not asking for anything more  
Can I ask you for anything? Sometimes it's hard to be alone  
We never make love through the telephone  
And I won't tell your Mum  
If you say that you'll come  
If you don't I'll have fun on my own  
I can have lots of fun on my own  
I can have lots of fun on my own  
I can have lots of fun on my own  
How much fun can you have on your own?  
How much fun can you have on your own?  
How much fun  
Can you have  
On your own?
