Pour me out
All I am is yours (3x)

Surround me with your glory
and fill me with your love
till I over flow

Pour me out
Pour me out
All I am is yours (3x)

Surround me with your glory

Bridge :

I step down from the throne of my heart
Singing all I am it was yours from the start
Casting down my crown at your feet
All I am is yours (3x)

Pour me out
Pour me out
All I am is yours
All I am is yours
All I am is yours
All I am is yours (Jesus)
All I am is yours (take my life)
All I am is yours (take my heart)

All I am is yours (I am yours)
