Falling Awake

Gary Jules

Eagle in the dark
Feathers in the pages.
Monkeys in my heart
Are rattling their cages. Found a way to blue

And another ghost to follow Said its only up to you

And thats the hardest pill to swallow. You never get to choose

You live on what they sent you

And you know they're gonna use

The things you love against youOne foot in the grave

One foot in the shower

Theres never time to save

Youre paying by the hourAnd thats just the way it goes

Falling awake

And thats just the way it goesSlipping through the bars

Aware of the danger

Of riding in the cars

Taking candy from strangersAnd its never out of hand

Never out of pocket

Im supersonic man

Do you wanna buy a rocket? And thats just the way it goes

Falling awake, falling awake

Oh thats just the way it goes

Falling awake, falling awakeEagle in the dark

Feathers in the pages

Monkeys in my heart

Are rattling their cagesI could learn to play the game

I could learn to run the hustle

If I only had the brains

The money or the muscle
